InterDepartmental Memo

From: Frank J. Widmayer, Chief of Police

Date: June 6, 2005

To: Don Johnson, Town Manager

Subj: Military Surplus Van

Attached you will find a memo submitted by Lt. Palma. I concur with his recommendation that we replace the Dodge pickup truck with this vehicle. Another unregistered vehicle of the same type is used for parts so that vehicle will also be going away.

If any other department is interested in those two old pickups they are welcome to them otherwise we will dispose of them.

Intra-Departmental Communication

To: Chief Widmayer
From: Lieutenant Palma
Subject: 1033 Acquisition (van style truck)
Date: May 24, 2005

Chief Widmayer'

Through the efforts of Detective Prehl, the department has the opportunity to acquire from federal surplus, a box type van. The vehicle has a box body with van front. The advantage is that with wide doors on the rear, it is ideal for rapid deployment of the department ATV, bicycles, barricades, cones and signs at any event.

This vehicle would replace a dodge pick up truck, also acquired through federal surplus that is no longer economically viable to continue to maintain.

I recommend that the department accept the vehicle and place it in service for this purpose.

Respectfully,
